It remains in the American-oak casks for 26 months and a further 40 months in the bottle.

TOTAL ACIDITY: 6.0g/l

TASTING NOTES: The intensity of the colour extract tells us that this is a wine which has undergone a slow, lengthy period of cask ageing and subsequent long bottle ageing. Ruby hues and first glints of brick-red. Soft aroma, with the tertiary aromas dominant to give a complex bouquet, where the dried fruit and leather let through glimpses of raisins, dates and dried apricots. On the palate it is very soft, long and smooth, but above all, elegant. Designed for great occasions.

FOOD PAIRING SUGGESTIONS: Iberian pork charcuterie, grilled shellfish. Best served at around 18°C.
